

TO WHOM IT MAY CONCERN

Mosman Smash Repairs has been a highly respected member of this Association for many years and the business is conducted efficiently and with a deep concern for its customers and their motor vehicles.

The work completed by Mosman Smash Repairs is of a very high quality and is done at a competitive price.

I would have no hesitation in recommending the business, its proprietor Graham Moore and his staff for their deep sense of integrity, customer service and skill. This is indeed a business you can trust.

James McCall
Chief Executive Officer
